

eRx is ePIP Compliant

- General Practitioners (GPs) can receive an incentive payment for sending electronic prescriptions to eRx.
- The Practice Incentives Program eHealth Incentive (ePIP) aims to encourage general practices to keep up to date with the latest developments in eHealth.
- Electronic Transfer of Prescriptions is Requirement 4 of ePIP. GPs must ensure that the majority of their prescriptions are sent electronically to a Prescription Exchange Service such as eRx.

Part of your existing clinical software – fully integrated, supported and free

**eRx is installed in every major medical software program in Australia.
